Student Teacher (6 hrs./day), **Xinmin Primary School – Yantai, China** **06-07/2024**
. Took a one-to-one oral training for the students after class, and the fixed target is 10 students with poor English ability. During the big break every day, I communicated with two students in English (10 minutes each). There are 40 interviews in four weeks, that is, each student has four interviews. These students went from knowing nothing to simply introducing their names and hobbies.
. Reduced the frequency of quizzes in the classroom and actively created a low-stressful classroom environment for beginners; Contributed ideas for creative and engaging lesson plans that incorporate games, songs, and stories to make learning English fun for young students

Student Teacher (46 hrs. in total), **Instructional Skills Workshop set of Theme Sessions and Two English Lessons in Wenzhou Shifulu Primary School & Wenzhou Guangchanglu Primary School – Wenzhou, China** **02-05/2024**
. Prepared teaching plans and aids; Adopted the Communicative Teaching Method, which centers on students and encourages them to actively participate in classroom interactions and confidently express themselves rather than passively listening.
. Each class consists of three teachers working together to teach one lesson. Specific topics are chosen from the textbook curriculum and popular topics, including animals, fruits, and time. The modules taught include phonetics, vocabulary, phrases, and grammar.

Tutor (6 hrs./day), **Longkou No.1 High School – Yantai, China** **06-08/2022**

. Assisted in routine teaching and homework correction and got involved in discussions of the teaching process and planning
. Observed each student's character and behavior, recorded and analyzed their learning status, and gave feedback to lead teachers
